

Dear Friends,

As we step into the 2026 growing season, our hearts are full of gratitude. For more than 50 years Gro 'n Sell has been blessed to walk alongside you, growing together, adapting to change, and sharing in the beauty this industry brings to the world. We are truly thankful for your loyalty and friendship.

This year marks an exciting new chapter. Beginning with the 2026 season, we will focus our energy on three areas where we have seen the most growth and where our passion and expertise shine: **Perennials, Herbs, and Specialty Cut Flowers**. At the same time, we will be stepping away from our Annual Seed and Vegetative programs so that we can invest more deeply in the crops we know will best serve you and the future of our industry.

While change is never easy, it opens the door to new opportunities. Our commitment to you remains as strong as ever: to provide you with the quality, consistency, and care you have come to expect from us. Most importantly, we look forward to continuing this journey together, rooted in faith, gratitude, and a shared love of growing.

Enclosed you will find our updated programs and pricing for the perennials, herbs and specialty cut flowers, a look at what we are most excited to share with you this season.

Here's to a fruitful and beautiful 2026 season. Thank you for letting us be part of your story.

Together bringing beauty to our world,

The Gro 'n Sell Team
